MEMORANDUM No.19066-A/49-6 dated the 3rd August, 1949.

Government Memorandum No.19066-A/49-3 Food dated 2-7-49
Board's Ref.No.1289/U.V.49.CS dated 14-7-49.

In the G.O. first eited the Government ordered that an administrative charge of Annas 5/- per maund should be collected on all stocks of grains procured and distributed both on Government and nonGovernment account through the Government agency. It has however since been represented to them that it should be unfair to levy the same administration charge on both paddy and rice and that the rate for paddy should be suitably reduced. The government agree with their representation and accordingly direct that the administrative surcharge to be levied on paddy should be annas three and a half per Maund. The administrative surcharge on other foodgrains will be annas five per maund as already ordered.

2.The Government approve of the proposal of the Board of Revenue (Civil Supplies) in the its reference last cited to collect the administrative surcharge at the time of sale on the actual quantity sold instead of at the stage of purchase by theprocuring agents in each month as directed in the Government Memorandum dated 15-6-49 second cited above. The Board is requested to issue clear and detailed instructions to Collectors and submit a copy thereof to Government.
